# Prime & Finish

## H<sub>2</sub>O Infusion™ Moisturizer

H<sub>2</sub>O Infusion™ is a light-weight moisturizer that maintains the skin's ideal level of hydration. Apply before foundation as a primer, or airbrush a fine mist over your makeup for a dewy finish.

## Flawless Finish™ HD Translucent Powder

A finely-milled translucent HD powder, Flawless Finish™ is the perfect finish to your elementwo makeup application. Gently absorbs excess oils without changing the look of your makeup. Further perfects your skin's texture.

# Get Started

## Step I: Prime

1. Airbrush a layer of moisturizer all over the face, as a primer.

## Step II: Base

2. Apply foundation under the eye area, as a concealer.
3. Airbrush foundation all over the face.

## Step III: Contour

4. Airbrush bronzer under the cheek bone area, jaw line, and on the side of the nose.

#### Step IV: Highlight

5. Airbrush highlighter at the T-zone, brow bone, under eye, and chin area.

#### Step V: Cheek

6. Airbrush blush on cheeks.

#### Step VI: Finish

7. Apply Flawless Finish™ HD translucent powder for a matte finish, or lightly airbrush a layer of H2O Infusion™ moisturizer for a dewy finish.
